DIRECTOR'S MESSAGE

Dear Students,

With the globalization of technology, privatization of manufacturing and service sectors, and liberalization of economy, the country is facing a great challenge to sustain its annual growth in GDP and to attain an upper hand in development of its economy. The mission of each management college is to produce quality Managers, who can provide effective business strategies to the organizations. It is the endeavor Aurora Group of Institutions to mentor, counsel and groom such managers with well-rounded personalities. Faculty members of Aurora's PG College, Moosarambagh take interest to groom students; they take the first step of expanding their knowledge and then prepare the students for the corporate challenges with the aid of such knowledge.

In this regard, we, as a college, feel very proud to announce that one of our faculty members has presented a Paper in an International Conference at Thailand and her paper has been awarded under the **BEST PRESENTATION** category. Our faculty members have attended a two day Faculty Development Program on "How to get your Research Papers published in High Impact Journals" at Narsee Monjee Institute of Management Studies.

As a part of Experiential learning, we had organized Industrial Visits to Mungi Engineers Pvt Ltd, Zaheerabad to provide practical exposure to the MBA students who visited the plant and had interaction with the various heads of departments to gain knowledge about the practical aspects of an running an enterprise.

Next in line, the MBA IV semester Project Viva Voce examination had been successfully conducted by the panel of professors from Osmania University.

The College in this month had celebrated the Telanagana Formation Day on June 02 where in faculty members and students have participated. Some students sang songs that described sacrifices made to achieve the State and have rekindled the spirit of Telangana in the campus.

I wish you all the best for achieving greater success and scaling newer heights in your education and career ahead.

- Mr. B. Mohan Kumar
Director

EDITORIAL

Dear Readers...

Welcome to the June's edition of Aurora Gazette. The month of June was punctuated by important events, the first being the 2nd Anniversary of the formation of Telangana State and International Yoga Day. Both events were celebrated by the college staff and students with great joy. One of our faculty members presented a paper in an International Conference, organized at Thailand and was declared as the best presenter of the paper. Some of the faculty members have attended a two day Faculty Development Program on "How to get your Research Papers published in High Impact Journals" at Narsee Monjee Institute of Management Studies. Six faculty members have also completed the required formalities to join Osmania University for part time Ph.D program. The college wishes them well.

The project viva for students of MBA IV semester was scheduled during this month and all the students attended it. The second lap of semester began for the students of MBA II semester who returned to the college after Summer Internship at various organizations. They went for an industrial visit to Mungi Engineers Pvt Ltd, Zaheerabad.

Thank you. We hope you will find Aurora Gazette informative.

FACULTY ACHIEVEMENTS

Paper Presentation and award of best paper at International Conference, Thailand

A paper on "Process of Career Planning and Development of Employees" authored by Dr. D Shireesha, HOD-MBA was accepted for the 24th International Research Conference on Business, Economics and Social Sciences, Bangkok, Thailand. She presented her paper on 25th June 2016 and received Best Presentation Award. The college congratulates Dr. D. Shireesha for this achievement

FDP at NMIMS

Six faculty members have attended a two day Faculty Development Program on “How to get your Research Papers published in High Impact Journals” on 25th and 26th June 2016, in which the Resource Person, Prof. Jack Reardon emphasized the importance of language; usage of active voice; the words and phrases to be avoided and understanding the topics relevant to be published in these journals. He said that though these are the issues that are generally overlooked, they actually are the critical success factors to publishing in journals with impact factor.

STUDENTS ACHIEVEMENTS

Completion of Summer Internship

The students who have been chosen for summer internships in Birla Sunlife, Bajaj Fin Serv, ITC etc. came back after the successful completion.

INDUSTRIAL VISIT

Students of MBA II semester visited Mungi Engineers Pvt Ltd, Zaheerabad as a part of institute-industry interaction. They were taken for a tour in and around the plant and were allowed to interact with the heads of various departments. The students opined that it was a great experience to witness the automated pressing and fabrication of precision components.

ACTIVITIES ON AND OFF THE CAMPUS

T-State Formation Day

Telangana Government was set for a week long celebrations to observe Formation Day on 2nd June, marking the one year formation of the 29th state of the country, Telangana. These celebrations include floral tributes paid to martyrs at Martyrs' Memorial at Gun Park; unfurling of the national flag and march past by security forces at Parade Grounds.

The management of the college too celebrated the first anniversary of state formation. The Director, Mr. B. Mohan Kumar addressed the faculty members and said that the state is the outcome of the lives sacrificed in thousands. His speech was followed by cutting of the cake and all faculty members joining the celebrations. Few students sang songs on the sacrifices of the sons of Telangana soil to achieve the dream of their state and ended the event on a solemn note.

Education Fair

A Three day Education Fair was organized by TV9 and KAB Consultants in Nizam Grounds on 3rd, 4th and 5th of June 2016 in which Aurora Group of Institutions participated. Several graduates and undergraduates made enquiries about the practices, pedagogy, teaching methodology, infrastructural facilities and placements of the colleges under the group. Mrs. N. Prasanna Laxmi, Assistant Professor, attended this Fair as the representative of Aurora's PG College, Moosarambagh.

International Yoga Day

2nd June 2016 was observed as International Yoga Day. Expert practitioners of Yogasanaas, Pranaayama and Laughing Therapy from the city had been invited to discuss relevant issues like style of living, degenerating health conditions, need for Yoga and to demonstrate few asanas that are necessary for everyone. The program began with a short video of Mr. Devdutt Pattnaik, an exponent on History, Culture and Religions of India. He is seen explaining about the origins of Yoga and its importance of Hinduism and its expansion throughout the world. The expert practitioners proceeded to give a speech on the maintenance of quality life. Later there was a practice session in which faculty members and students tried several aasanas and pranayamaas directed by the expert speakers of the event.
